Teaching for Mastery

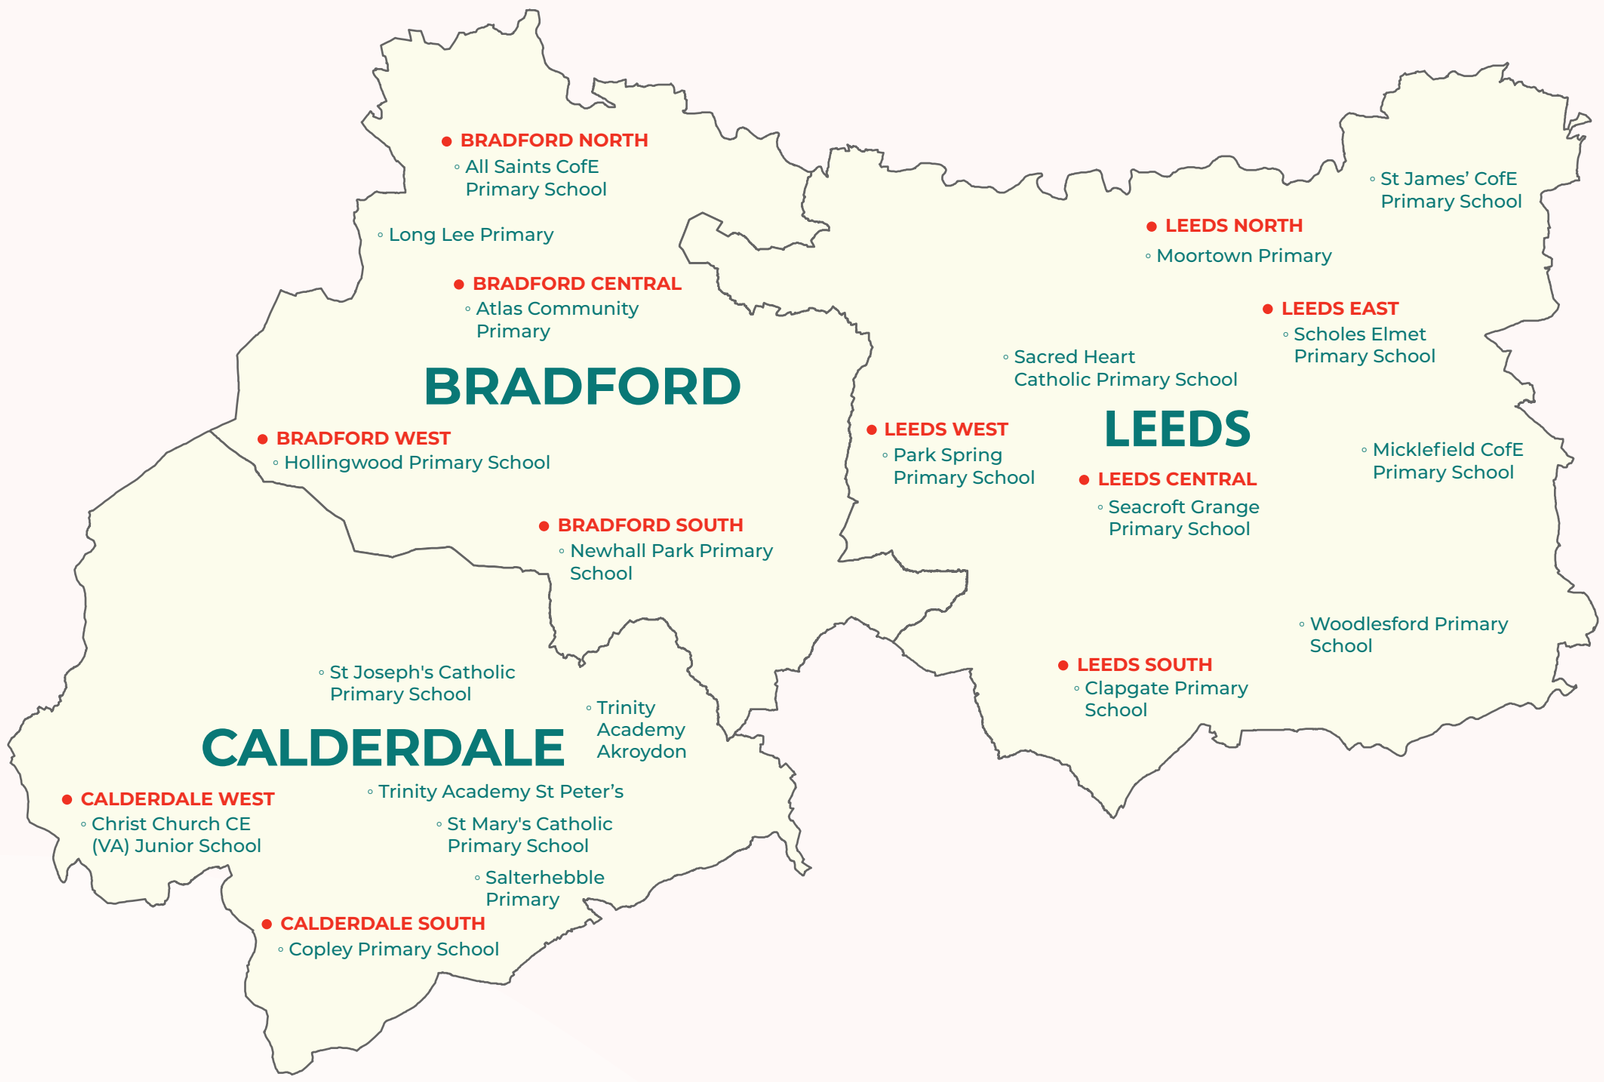
Our Regional Primary Network

Our regional Teaching for Mastery model for 2026-27

The West Yorkshire Maths Hub's regional offer gives every school who has been engaged in the Teaching for Mastery programme access to a **FREE** local network. Each network is **bespoke** and designed by an accredited local Teaching for Mastery specialist and grounded in classroom practice. In 2026-27, we will be looking at how Teaching for Mastery is Inclusive by design across all the networks.

You can also select from a range of focus areas to suit your school's priorities. These sessions held throughout the year will help you drive change using the EEF's Implementation Guidance, with practical impact across your classroom and school.

Register your interest below.



FOCUS AREAS:

- New to Leading Maths
- Mixed-age teaching
- SEND in mainstream
- Re-starting Mastering Number
- Oracy

We also work closely with the following academy trusts:

Co-op Academies Trust · The Blessed Peter Snow Catholic Academy Trust · Brigshaw Learning Partnership · Exceed Academies Trust · Blessed Christopher Wharton Catholic Academy Trust · bdat Bradford Diocesan Academies Trust · Learning Accord Academy Trust · ALPT · Owlcotes Multi-Academy Trust · Northern Star Academies Trust

BREAKDOWN:

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Teaching for Mastery (AM) 'Inclusion by design'	Day 1	Day 2	Focus theme	Focus theme	Focus theme	Day 3
Implementation (PM)	Day 1	Day 2				Day 3

+ Focus area - 3 days over the course of the year
This is an additional commitment alongside your TfM network days
